

It's nice to meet you.

American Disposal Services, Inc. is proud to be the new service provider for your community! We would like to welcome you to our growing 'American' family. It is our goal to provide efficient and economic waste and recycling collection to promote a cleaner and brighter world. We ask that you help in supporting our efforts by properly disposing of your waste in the correct container!

THINKBEFORE YOUTHROW.

Our ThinkBeforeYouThrow® recycling program promotes increased recycling through community events, activities, and educational literature. Call us to set up a time to 'talk recycling' for any of your community's events!

TRASH:

Your gray container is to be used for household waste ONLY. Construction, remodeling waste, and household hazardous wastes (i.e. paint, pesticides, oil, gas, antifreeze, corrosive chemicals) are NOT acceptable. Please notify customer service at least 24 hours in advance when putting out bulk items.

RECYCLING:

Your green recycling container OR small recycling bin is to be used for recyclables ONLY. All paper, glass, aluminum, and plastic materials can be placed into the same bin! For a list of complete materials, please visit thinkbeforeyouthrow.org. We now accept more materials than ever before!

YARD DEBRIS:

Grass clippings & leaves should be bagged in clear plastic bags, brown paper bags, or personal can clearly marked "Yard Debris". Brush & limbs should be bundled and tied. Limbs should not exceed four feet in length and three inches in diameter. Items that are bagged or bundled are not to exceed 50 lbs. Concrete, bricks, blocks, mulch, dirt and sod are not acceptable.

HOLIDAYS: There will be no service on Thanksgiving Day, Christmas Day, New Years Day, or days when the landfill is closed.
